### **Paraguay in Pictures and Testimony Tonight**

I encourage you to come tonight in order to see and hear about the great things God is doing in His work in Asuncion, Paraguay. I have included the letter below to help begin to do that in the words of Garret Best about our recent efforts there. As you go forth this week, keep Christ in your heart and mind as Lord as you continue to strive to let your light shine to the Father's glory. God bless you. I love you.

Kevin

#### **Dear Elders and Members of the Leanna Church of Christ,**

My name is Garrett Best and I am here in Asuncion, Paraguay for two months serving as the summer intern for the church of Christ here. I wanted to write the elders and the congregation to let you all know what a blessing it was to have the group from your congregation here with us! They were truly a great source of encouragement to the members of this congregation.

I am reminded of something Chris Tynes said one morning in a devotional we shared together. He commented that so many people from back home had been asking him about the country and the people here, and that after two years of mission work here, he had finally realized they were normal Christian people just like we are in the US, except that we are separated by language. The group came down and it was so interesting to see how they were separated by language but yet connected with the people here through Christ. A smile and hug conveyed all the words they could ever hope to say in Spanish!

I saw these fine Christian people working extremely hard packing up the church building, participating in worship and devotionals, painting, building, decorating, feeding, and washing the feet of "the least of these." They came and were the hands and feet of Christ to 23 young children who otherwise have no one! I wanted to send this letter to thank you as an eldership for sharing this gift with us! Just this morning, one of the Asuncion church members was commenting to me on how kind and loveable everyone was from your congregation. You had a great representation here and I would like to extend a personal thank you and a thanks from the Christians here to Kevin, Tammie, Bethany, Chris, Cameron, Callie, Dustin, Latoya, and Jessie for their Christian attitudes and hard work. Again, thank you and God bless you all!

Through HIM,  
Garrett Best
